TECHNICAL DATA SHEET

Ostro San

PACKING

4 x 4 L

ITEM#

27

Descriptions:

Disinfectant Deodorizer/ Bactericide - Fungicide - Algicide

Drug Identification Number 02465116

FOR USE IN Restaurants, Hotels, Schools, Food Plants, Farms, Hospitals.

ACTIVE INGREDIENT: 10% n-Alkyl, (60% C14 30% C16 5% C12 5% C18), dimethyl benzyl ammonium chloride.

Use Directions:

For food processing equipment, dishes, glassware, cooking utensils, equipment and conveyors, wash with soap or detergent then rinse. Use 2 ml of Ostro San per litre of water to give 200 ppm active sanitizing. No rinsing is required at 200 ppm or less. Allow 30 seconds contact time for sanitizing.

For general disinfecting of floors, walls and other hard surfaces in nursing homes and institutions, as well as for sink tops, garbage pails, telephones and restrooms, use 5 ml of Ostro San per litre of water.

For all disinfecting, allow surface to remain wet for 10 minutes then remove excess liquid. Pre-clean heavily soiled areas. Completely drain the product from all food contact surfaces and rinse with potable water. Avoid contamination of food during application and storage. Prepare a fresh solution for each use.

FOR COMMERCIAL USE

Cautions:

Avoid contamination of food. Avoid contact with skin and eyes.

FIRST AID: In case of contact with skin and eyes, wash thoroughly with water. If irritation persists, get medical attention. If swallowed, drink milk, egg whites, gelatin solution, or if these are not available drink large quantities of water. Call a physician.
